

Cups Of Tea

The news team hot topic— tea. A rivalry began, and nobody could agree on how to make the perfect cuppa! Therefore, we carried out a survey about the order in which people add milk—before or after the tea bag. These are our results. World breaking news or what!!

Milk Before

10%

Milk After

90%

Also, people told us their favourite biscuit. It was even harder to decide which one is the best for dunking! Do you agree with the final result, or maybe there's an even better biscuit out there! Our favourites included:

Custard Cream, Jammie Dodger, Ginger Nut, Bourbon, Digestives, Chocolate Hob Nob

However, Digestives came out on top and it was definitely to dunk !
